EFFECTIVE FOR ALL BOOKINGS MADE AFTER JANUARY 1, 2014

## CLEANING OPTIONS

Your vehicle is provided to you in a clean condition. Our Daily Rental Rates are calculated assuming you bring the vehicle back to us in a clean, **re-rentable** condition. We understand that some people do not have the extra vacation time to clean the vehicle after their use. For this reason we offer you three cleaning options.

The first option requires you to clean the entire RV and evacuate the waste tanks yourself.

The second is a **Prepaid Cleaning Fee** of **\$175**. If you prepay this fee, you can return the vehicle after your trip and we will clean it for you (inside and outside) as well as evacuate the waste tanks.

The third option has you returning the vehicle to us clean (inside and out) but with the waste tanks not emptied. For this you can choose our **Prepaid Waste Evacuation Fee** of **\$45**.

If you choose option one when you depart yet still return the RV dirty we will charge a rate of **\$45 per hour**. Average exterior cleaning charge is **\$139**. Average interior cleaning charge is **\$159**. Evacuating the waste tanks is a **Flat Fee of \$85** additional.

## INSURANCE OPTIONS

**Motorized Units:** The first option is auto liability insurance provided by us that is primary. It provides comprehensive and collision insurance covering damage to the Vehicle with a \$1000 deductible per occurrence, for which deductible you are responsible. Auto liability insurance provided by us provides coverage for bodily injury and property damage with limits no higher than the minimum levels prescribed by the financial responsibility laws of the state whose laws apply to the loss. Our insurance provides \$2,000 medical payments or PIP, no-fault and statutory limits for uninsured and under-insured motorist coverage. Coverage is void if you violate the terms of this Agreement, or if you fail to cooperate in any loss investigation conducted by us or our insurer. Giving the Vehicle to an unauthorized driver terminates our liability insurance coverage.

**Towable Units:** We provide collision and comprehensive insurance on the vehicle with a \$500 deductible. We do not provide liability insurance coverage on the vehicle. You must provide liability insurance coverage on the towed vehicle through the personal auto policy covering your towing vehicle.

Your second option is to secure insurance coverage through your own carrier. Most standard auto policies will cover a rented RV for little or no additional cost. Please provide us with a binder from your own insurance company.

Also, if you want to increase your liability protection up to \$1,000,000, we have arranged coverage for Supplemental Liability Insurance (SLI), at **\$12.95** per day. SLI is excess automobile liability insurance that protects you and any authorized driver, against third party automobile claims for bodily injury and property damage caused during permitted use of the rental vehicle. You must purchase this coverage directly from the insurer's website at [www.mbasli.com](http://www.mbasli.com). -- Policy #**101069** for motorized and Policy #**401182** for towable.
